

Important Notice from the Grand Master

Brethren,

You may have recently received a letter from the New Jersey Devils hockey team, advertising their game on January 22nd as the "Masons Ticket Offer" and inviting you to buy tickets for this "exclusive offer to N.J. Masons."

Please be advised that this is not an authorized Masonic event and that the N.J. Devils did not have permission to mail these solicitations.

I purposely did not contract with the Devils this year because I felt that their \$50 tickets would discourage many of you from participating, especially with bringing your children and grand children.

That is why our annual hockey game event will be held on March 28th at the Sovereign Bank Arena in Trenton between the Trenton Devils and the Elmira Jackals. This is the "Masonic Family Hockey Game" and tickets are only \$15 (lower level) or \$18 (club level).

You'll be able to bring a family of five for what two tickets would have cost you for the N.J. Devils game.

We have reserved large blocks of tickets and expect 300 to 400 Masons their families, and friends to attend. Please send your check, payable to Grand Lodge of New Jersey" with a stamped, self-addressed envelope to R.W. Glenn Latshaw, 444 West Avenue, Delanco, N.J., 08075, as soon as possible.

The earliest ticket requests will get the choicest seat assignments.

Fraternally,
Bill Berman
USS New Jersey Lodge #62
