### MASTER'S MESSAGE

Fraternal Greetings All,

Spring is here. A time of renewal. A time of growth. A time of transition...of change. But change, growth, and cleansing ourselves of our old patterns is difficult. We grow comfortable in our paradigm. Comfortable in our ways.

I want to remind you of the example which is set before us by every new Mason, change can bring tremendous awakenings, and amazing new worlds to our view. As we all began our own deeply personal journey to become a Mason, we thirsted for knowledge, requested access, and did the work required to achieve the status of Entered Apprentice, Fellow Craft, and Master Mason. Upon achieving this crowning glorious status, what change, what transition, what Light are you still seeking? How does a Good Man made better continue to climb ever further to meet the divine approbation of the Grand Artificer of the Universe?

As we prepare for our annual change in leadership, what change, what growth, what Light will you invoke? How will you exemplify the duties enjoined by a sound morality? How will you widen your range of thought? How will you open your heart to nobler impulses as you once had? Will you keep knocking on the door with your own hand?

Cordially and Fraternally,  
Arthur J. Campbell, Worshipful Master 2019

### Freemasonry: A Rich Heritage

Freemasonry promotes a way of  
Life that binds like-minded Men  
with the principles of brotherly  
love, relief, and Truth in order to  
serve God, Family, Country,  
Neighbor and Self.

It is our connection with 300 years  
of history; 600 years of heritage,  
1000 years of tradition, 3000 years  
of legend, and 6000 years of  
enlightenment. Employing the  
ancient mystical heritage of  
Freemasonry and the symbolism of  
architecture, like-minded Men help  
impart awareness and knowledge to  
build character, one Brother at a  
time.

The Square & Compasses as a  
compound symbol predates even  
our oldest references to the  
Masonic fraternity. References to  
these tools are found in various  
esoteric traditions that stretch back  
to antiquity. The union of the two  
assists Freemasons in the pursuit of  
Truth and a higher level of  
Consciousness.
