TRESTLEBOARD — JUNE 2018

MASTER'S MESSAGE

Every Freemason has his own reasons for joining one of the world's oldest and largest non-religious and non-political fraternal and charitable organizations. It is because of this fact that members come from all walks of life and meet as equals whatever their race, religion, political views, or socio-economic position in society. We gather together to share and promote values that are based on integrity, kindness, honesty, and fairness. "Making Good Men Better" is the core of what Freemasonry is all about. Brotherly Love and Good Will to All Men are cumulative results of these efforts. We don't only make new friends and acquaintances but make new "brothers" and extend our "family". Freemasonry is about Family.

As we go into our summer break, I hope you enjoy a great summer with your families. May the Grand Architect of the Universe keep you and your families safe, healthy, and happy. I hope you enjoy a summer full of fun, laughter and good times.

"Freemasonry must stand upon the Rock of Truth, religion, political, social, and economic. Nothing is so worthy of its care as freedom in all its aspects. 'Free' is the most vital part of Freemasonry. It means freedom of thought and expression, freedom of spiritual and religious ideals, freedom from oppression, freedom from ignorance, superstition, vice and bigotry, freedom to acquire and possess property, to go and come at pleasure, and to rise or fall according to will of ability."

"Masonry aims at the promotion of morality and higher living by the cultivation of the social side of man, the rousing in him of the instincts of charity and love of his kind. It rests surely on the foundation of the brotherhood of man and the fatherhood of God."
